

Below are the classes now on offer at Platypus Creek Stamping and Craft. Classes are held in Birkdale.

Scheduled classes will be limited to a maximum of Four students as this allows for a more personalised and relaxed class.

If you have a group of more than four who would like to take part in a class, please contact me and we can discuss the option of bringing the class to you.

Also if there is a class you would like to attend, but the times don't suit, let me know and we may be able to schedule another suitable time.

Class requirements:

Basic tool kit consisting of cutting mat, scissors, metal edged ruler, craft knife and adhesive, preferably both glue and double sided tape. (both glue and tape are available for purchase)

Bookings and payment:

All classes must be paid for at time of booking. Payment can be via direct deposit or Pay Pal. If you need to cancel you must do so at least 24 hours prior to the scheduled class.

Cancellations will receive a credit for another class. **No shows will not receive a credit.**

Current Classes

Working With Copics

This class is designed for beginners as well as those who have used copics but would like to expand on their knowledge. The class will last for approximately three hours. During the class you will learn how to choose an appropriate paper and learn about the best inks to use to achieve the best results. You will learn how to use the copic colour wheel and we will explore a number of blending techniques and learn to use the Colourless blender . You will be given a number of stamped images to practice on and will make one finished card during the class. As we will be covering a lot of information during the class, you will be provided with a copy of class notes for future reference. You will receive a discount of 20% off any markers purchased on the day.

Please bring your basic tool kit to the class. All other materials will be supplied.

Cost \$50.00

Christmas Cards

In this class you will make three Christmas cards.

Samples will be online soon

Please bring your basic tool kit . All other materials required to make the cards will be supplied.
